TRAVIS RYAN

Artist / Writer / Worship Leader

Travis Ryan fiercely champions the church. By watching his father lead worship at the Calvary Chapels of southern California and at Saddleback church, he gained a vision for the church and its role in the Kingdom.

Travis attended California Baptist University in Riverside, CA where he studied Arts in Worship Ministry, led worship for the school, and accepted a position at Magnolia Avenue Baptist Church during his Junior year. As a member of the city's network of churches, Travis cultivated relationships with Billy Batstone, Hanz Ives, and Steve Wiggins of Harvest Church, writing songs with them for his independent release.

During his senior year, Travis accepted a position at Saddleback Church where he served for the next 6 years and continued to cultivate his passion for co-writing. This period of time was fruitful for Travis; signing with Integrity Music because of their dedication to the church, continuing to write with Tim Timmons, Caleb Clements, Todd Proctor, Matt Redman, Ben Cantelon, Jason Ingram, and Jennie Lee Riddle; and touring with Paul Baloche, Phil Wickham, and MercyMe.

A stunning collection of heart-felt, beautifully arranged songs were released on Travis' recent worship album, *Fearless*, available on iTunes.

Most recently was the notable release of *We Believe*, a co-authored anthem covered by the Newsboys. The song was released on the inspiring album, *My Hope*, created by the Christian music community to honor Billy Graham's work for the gospel.

Travis now resides in Smyrna, TN with his wife, Hayley and 2 young sons serving as Worship Pastor at Life Point Church. There you will find him faithfully growing and cultivating a thriving kingdom culture of creativity and a community of songwriting that reveals his passion for the Church.
